1. Microsoft .NET Framework Installation 3

2. ArcGIS Pro Installation 4

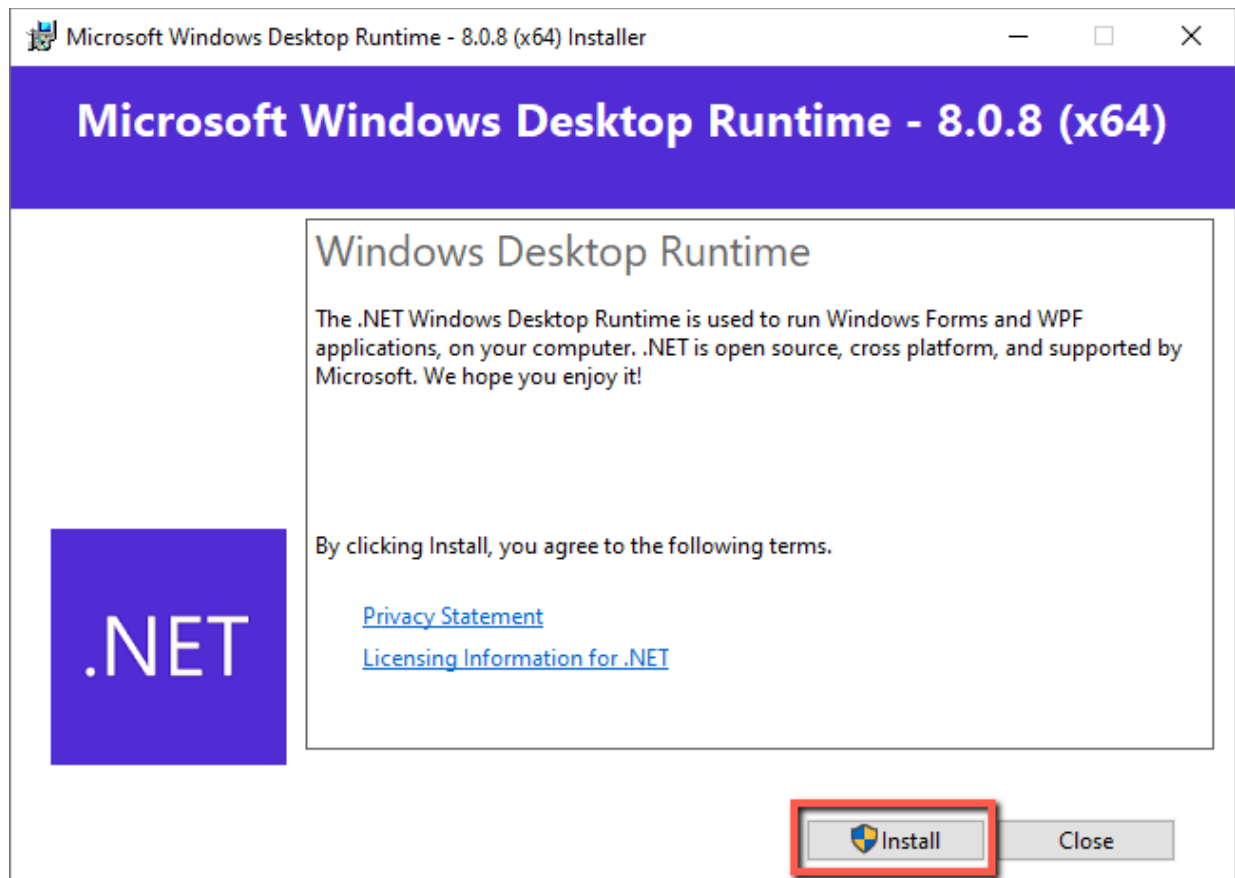

3. License Authorization..... 9

1. Microsoft .NET Framework Installation

Microsoft.NET Framework 8.0.8 or later must be installed prior to installing ArcGIS Pro 3.3.0

Download file [Here](#)

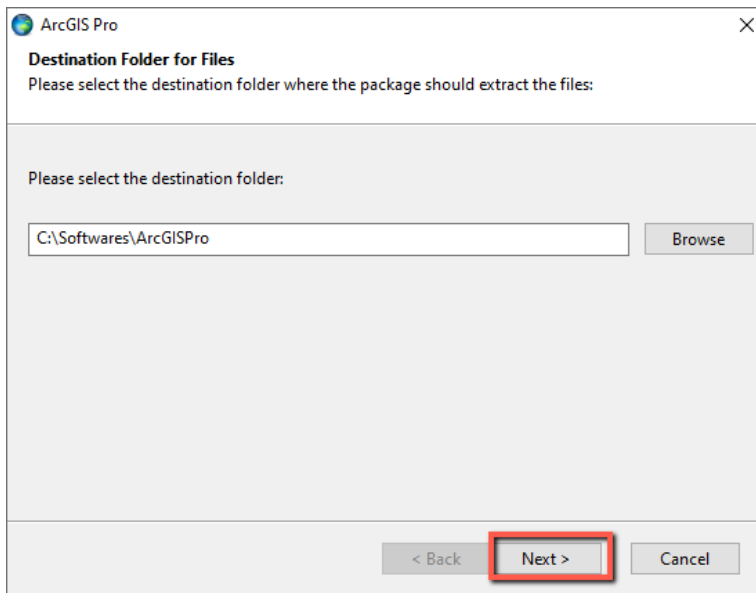

After downloading Microsoft.NET Framework, double click the file and click **Install**.

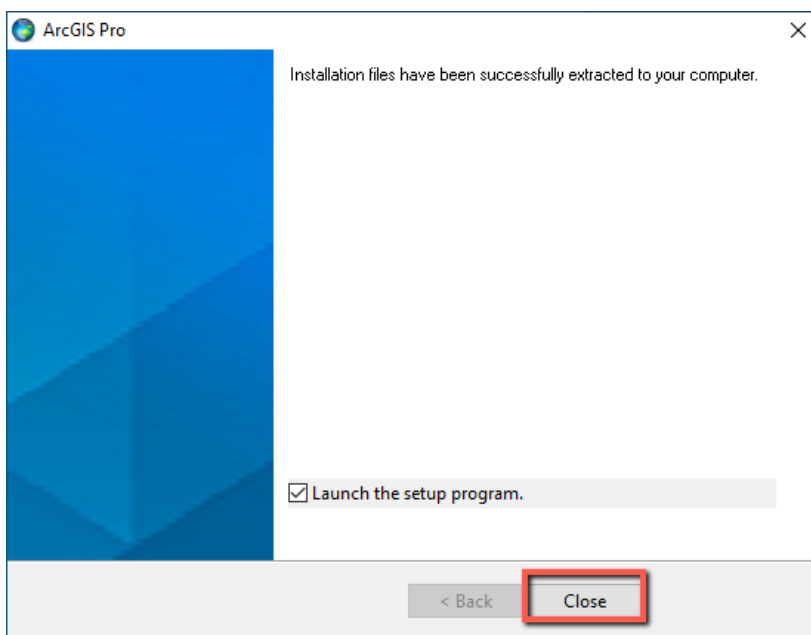

2. ArcGIS Pro Installation

Download [Here](#) the setup file for ArcGIS Pro 3.3.0

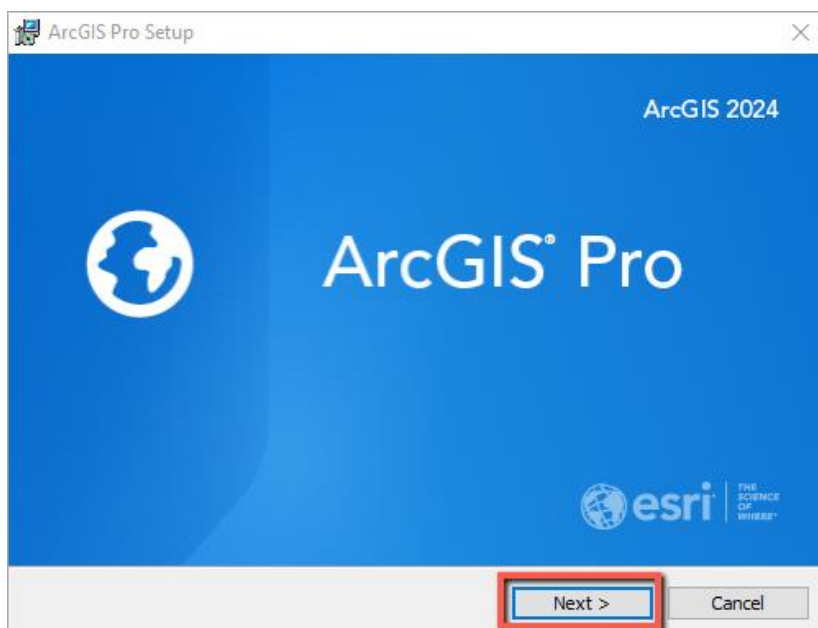

After download completed, double click the file to unpack the files. Click **Next** from the Window appears.

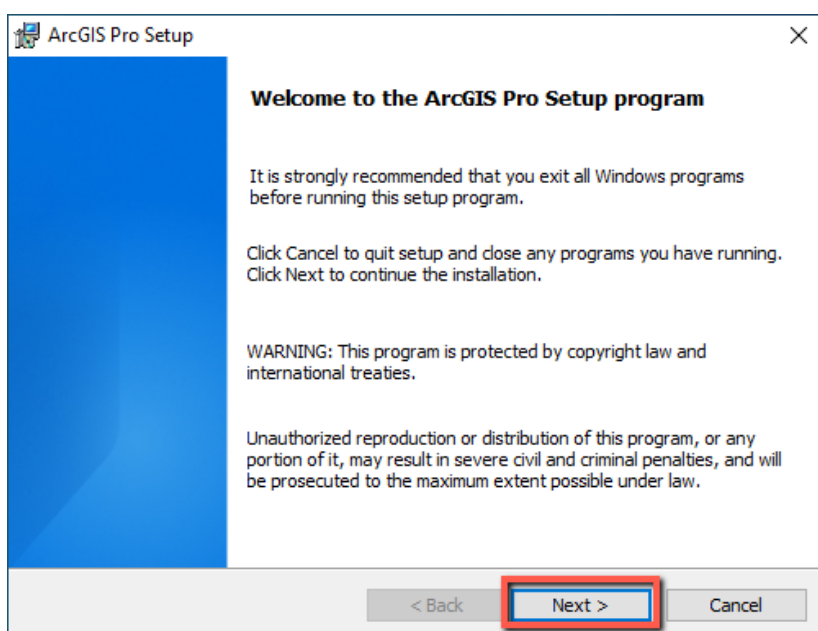

Click **Close** to Launch the setup program.

From ArcGIS Pro Setup Window, click **Next**.

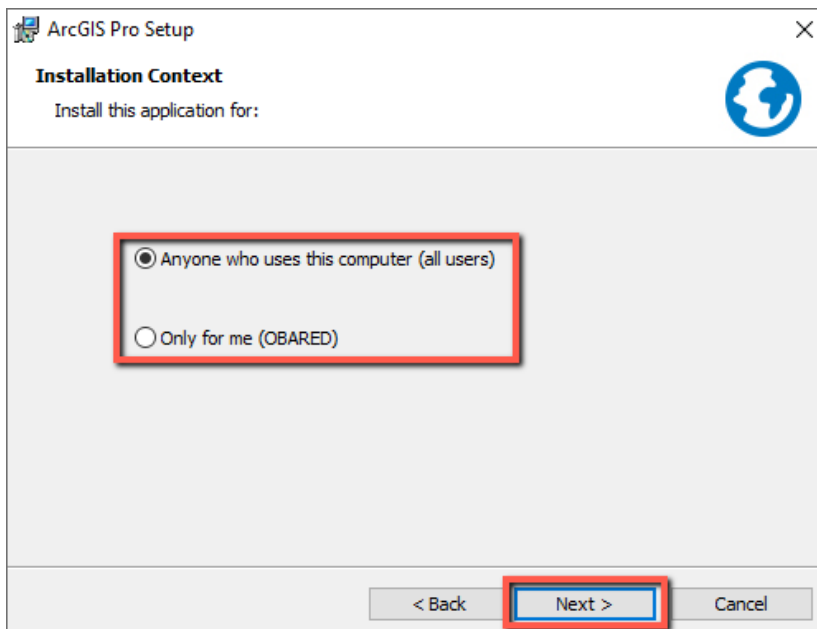

Click **Next**

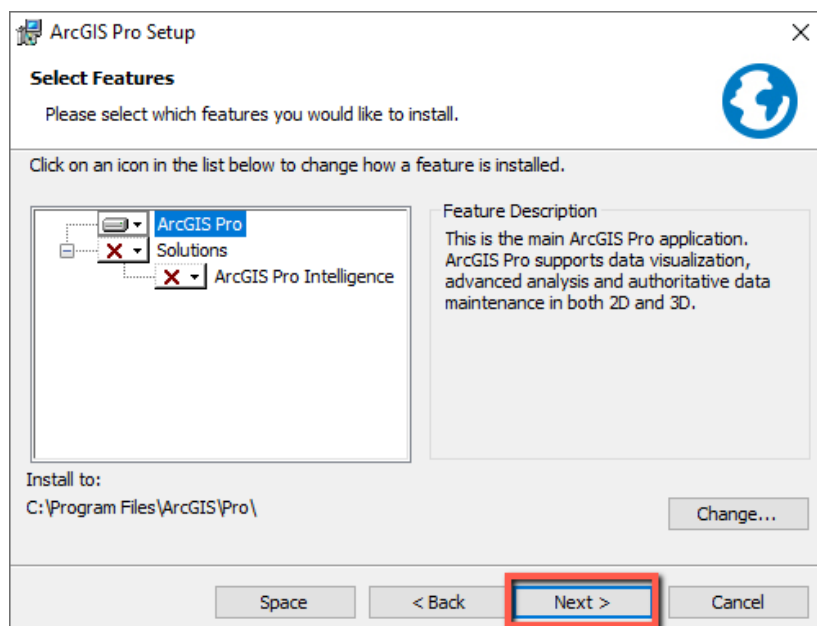

Select the “**I accept the master agreement**” and click **Next**.

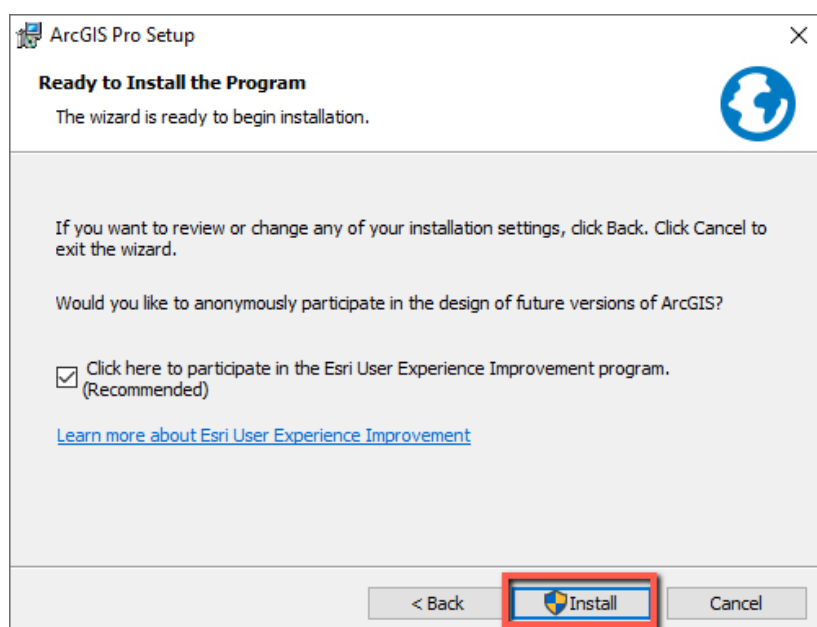

Select your favorable option and click **Next**.

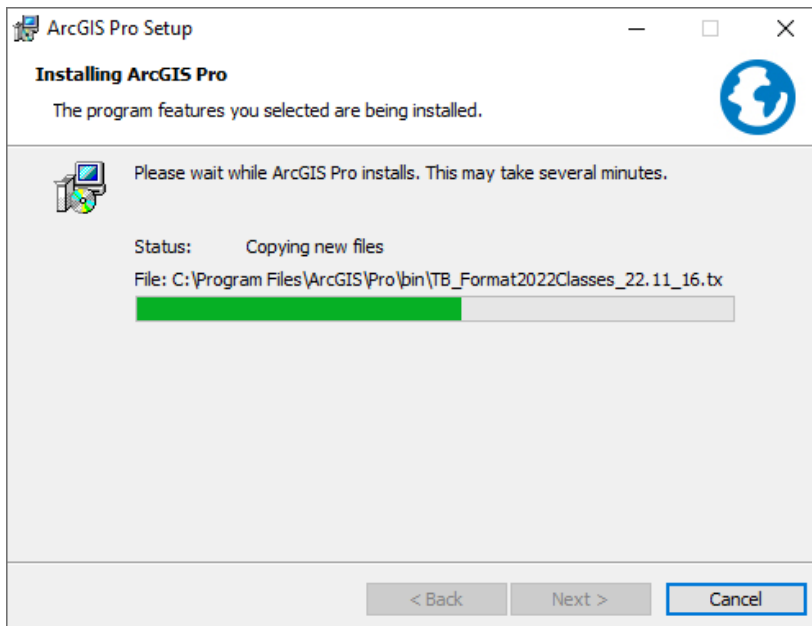

Leave everything as default and click **Next**.

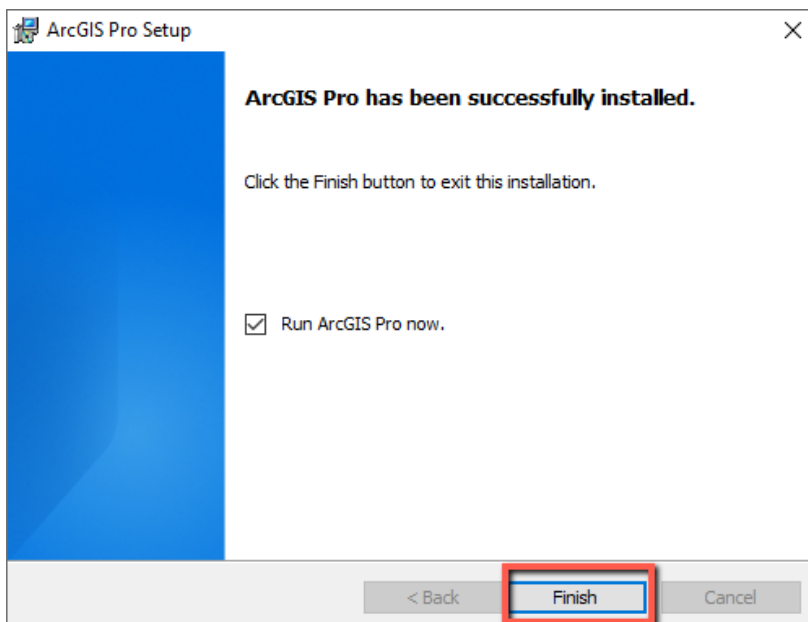

Leave everything as default and click **Install**.

Installation will start and will take approx. 10 minutes.

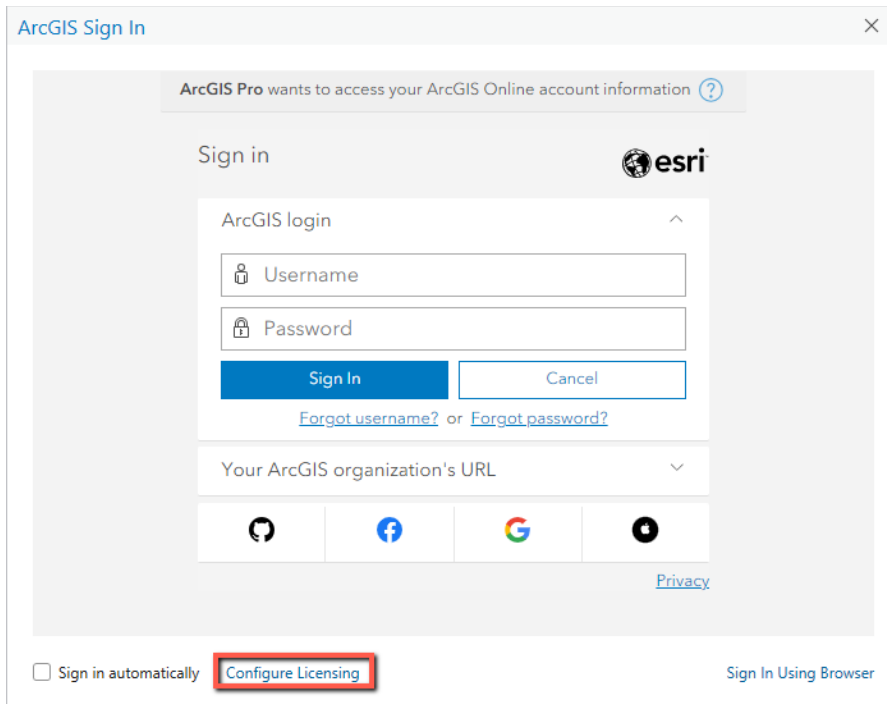

This window will popup once the installation has finished successfully. Leaving everything as default, Click **Finish**.

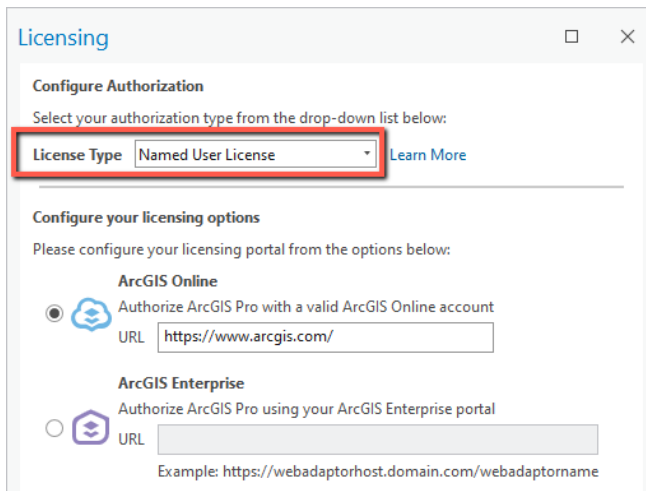

3. License Authorization

After successfully installed ArcGIS Pro, it initializes followed by a Sign in window.

Ignore the login and click on the **Configure Licensing** as highlighted in the screenshot below.

Licensing window opens. Under **Configure Authorization**, click the dropdown to change the license Type to **Single Use License**.

Single Use License Level will appear. Select the **level** based on the license supplied to you by gissupport@who.int and click **Authorize** button.

Licensing

Configure Authorization

Select your authorization type from the drop-down list below:

License Type: **Single Use License** [Learn More](#)

License Level

Select the Pro core product license level below:

Advanced **Standard** Basic

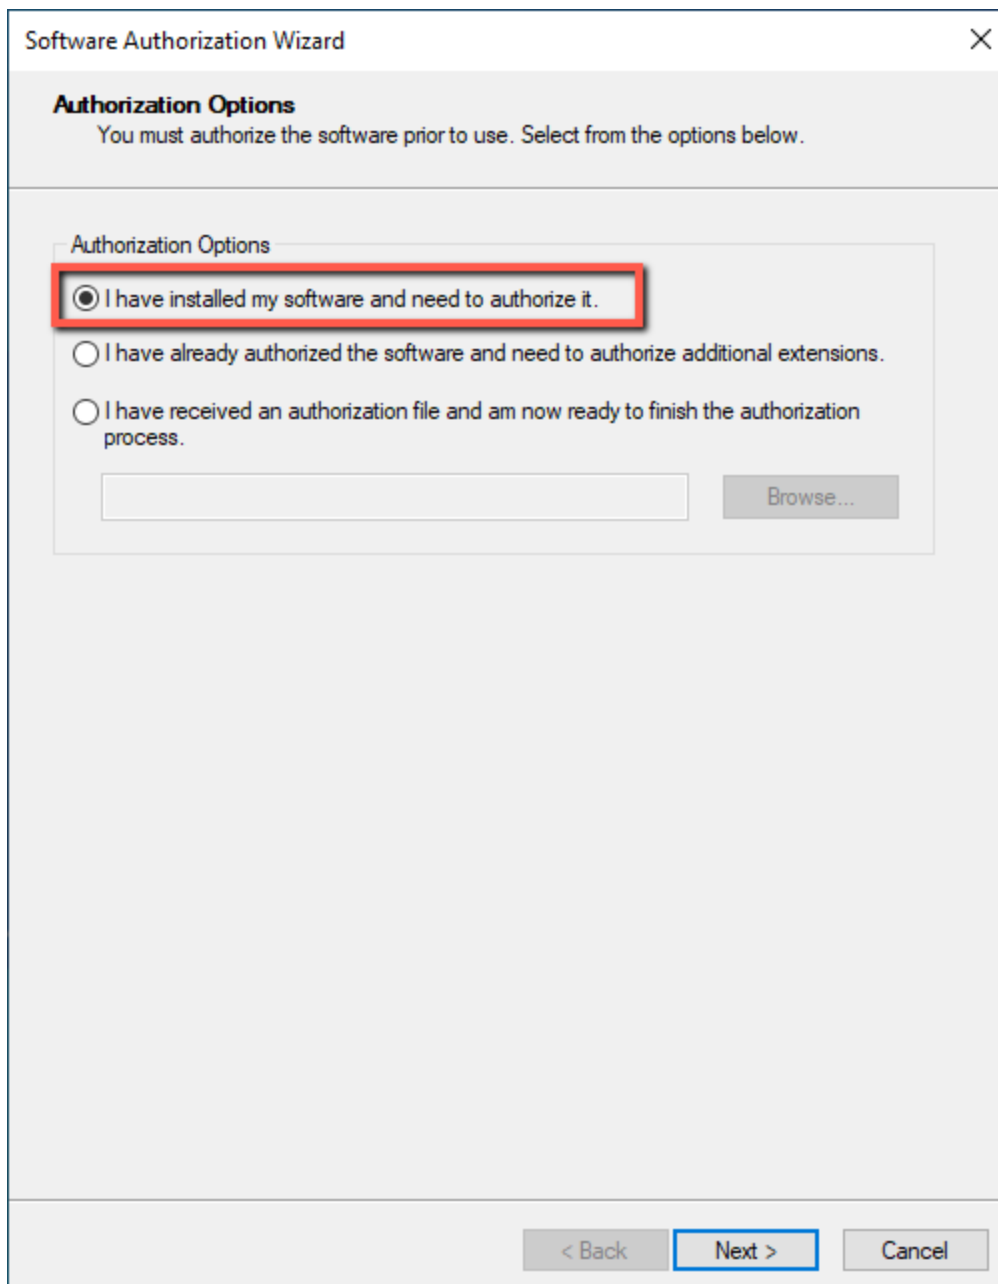

This lists the software installed, along with its authorization status and expiration date.

Name	Licensed	Expires
Location Referencing	No	N/A
Maritime	No	N/A
Network Analyst	No	N/A
Production Mapping	No	N/A
Publisher	No	N/A
Reality	No	N/A
Spatial Analyst	No	N/A
StreetMap Premium Asia Pacific	No	N/A
StreetMap Premium Europe	No	N/A
StreetMap Premium Japan	No	N/A
StreetMap Premium Latin America	No	N/A
StreetMap Premium Middle East and Africa	No	N/A

In the Software Authorization Wizard, under Authorization Options, select “**I have installed my software and need to authorize it**” option and click **Next**.

The image shows the 'Software Authorization Wizard' dialog box. The title bar reads 'Software Authorization Wizard' with a close button (X) on the right. The main heading is 'Authorization Options' with a subtext: 'You must authorize the software prior to use. Select from the options below.' Below this, there are three radio button options. The first option, 'I have installed my software and need to authorize it.', is selected and highlighted with a red rectangular box. The second option is 'I have already authorized the software and need to authorize additional extensions.' The third option is 'I have received an authorization file and am now ready to finish the authorization process.' Below the third option is a text input field and a 'Browse...' button. At the bottom of the dialog are three buttons: '< Back', 'Next >' (which is highlighted with a blue border), and 'Cancel'.

Software Authorization Wizard

Authorization Options
You must authorize the software prior to use. Select from the options below.

Authorization Options

☒ I have installed my software and need to authorize it.

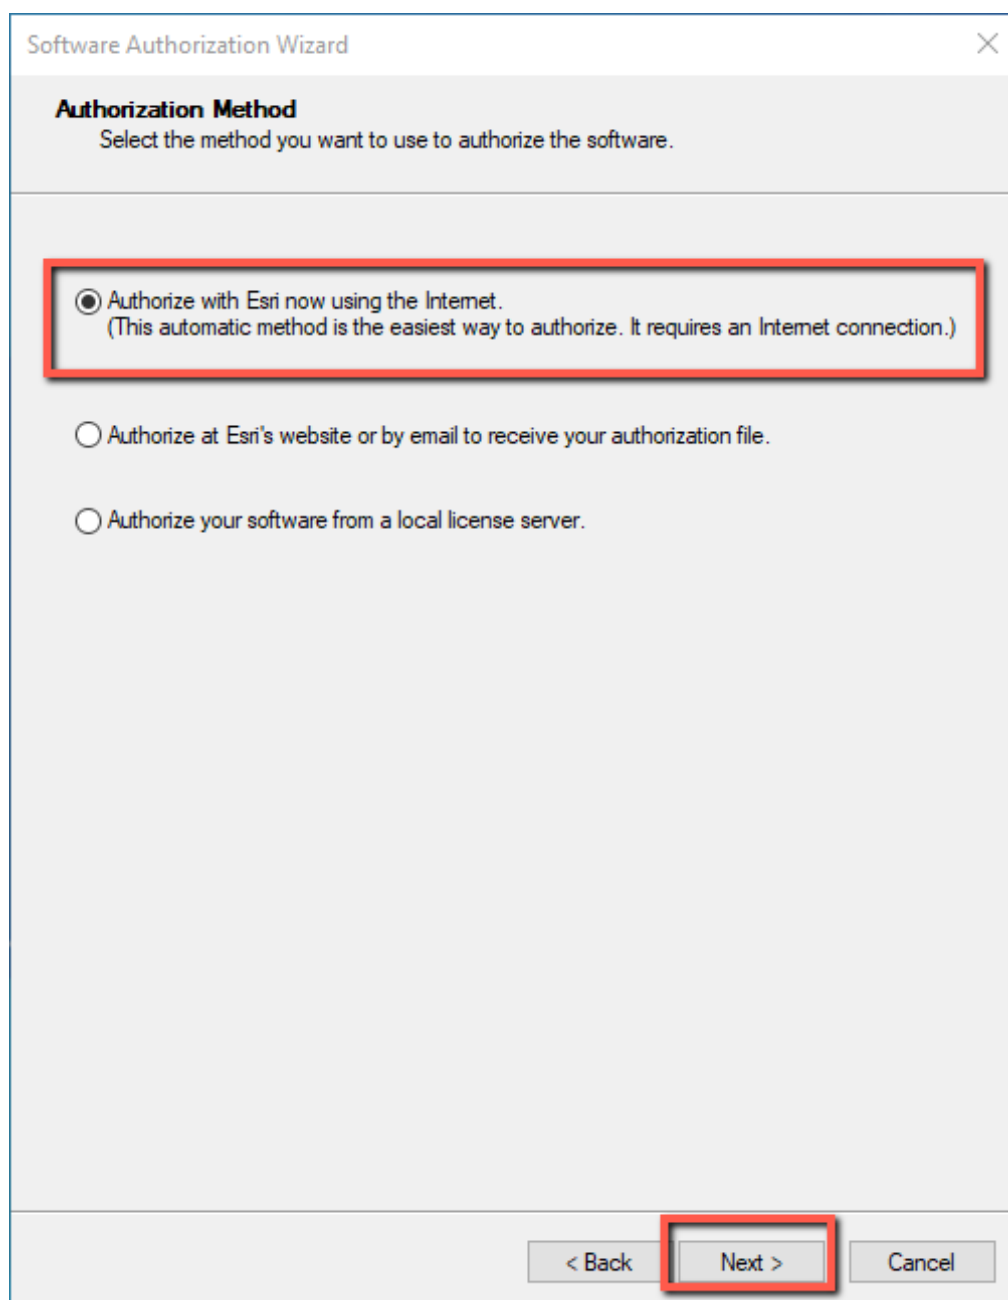

☐ I have already authorized the software and need to authorize additional extensions.

☐ I have received an authorization file and am now ready to finish the authorization process.

Select **“Authorize with Esri using the Internet”** option and click **Next**.

Fill in the Authorization Information and once filled all mandatory sections, the Next button will be activated. Click **Next**

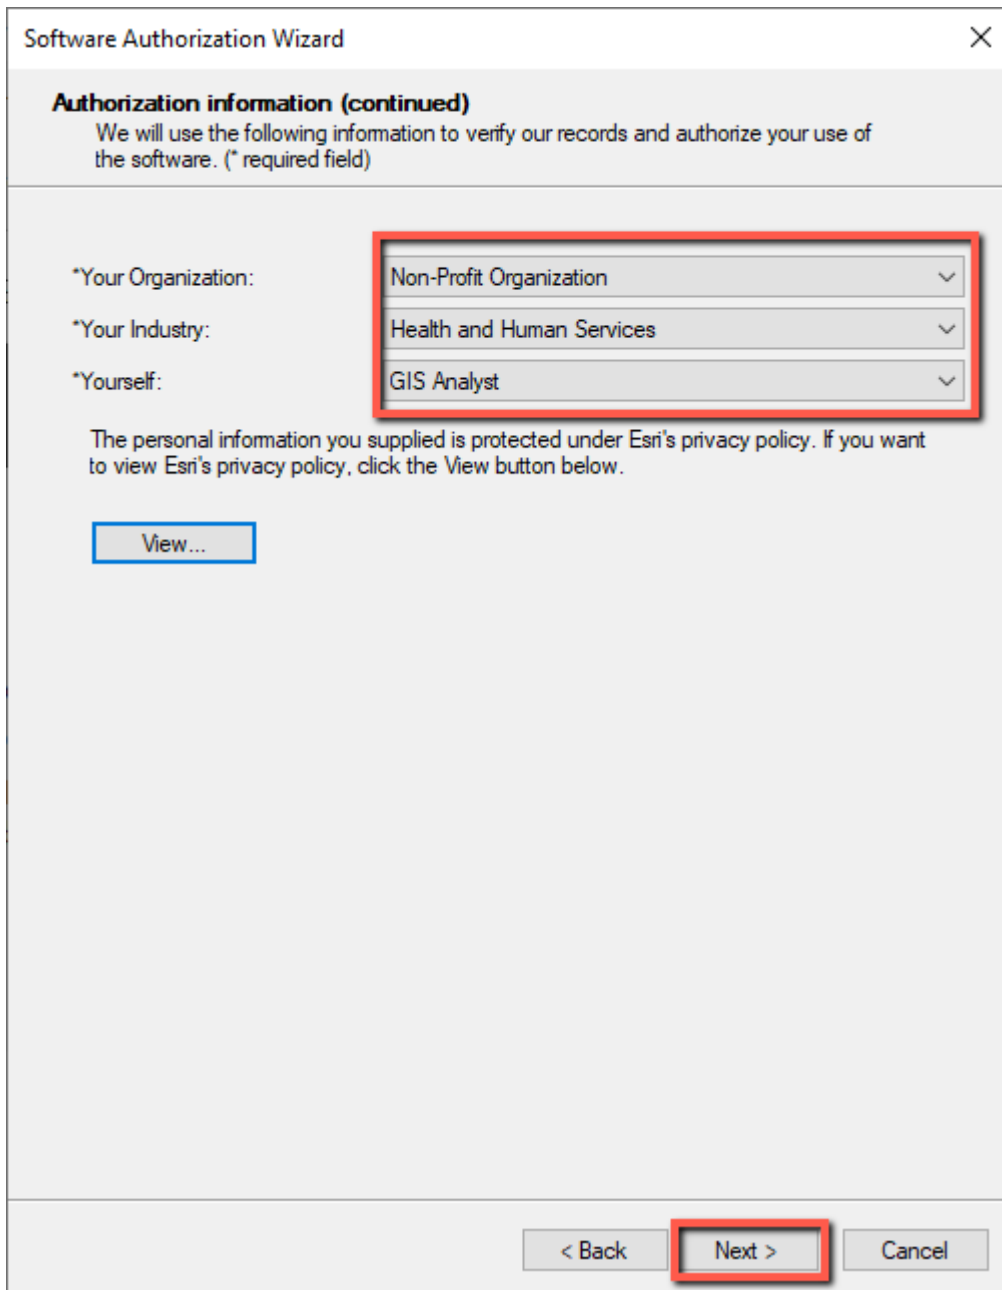

Software Authorization Wizard ✕

Authorization Information
We will use the following information to verify our records and authorize your use of the software. (* required field)

*First Name:	<input type="text"/>
*Last Name:	<input type="text"/>
*Organization:	<input type="text"/>
Department:	<input type="text"/>
*Address 1:	<input type="text"/>
Address 2:	<input type="text"/>
*City:	<input type="text"/>
*State/Province:	<input type="text"/>
*Zip/Postal Code:	<input type="text"/>
*Location:	<input type="text" value="American Samoa"/>
*Phone Number:	<input type="text"/>
*Email:	<input type="text"/>
Comment:	<input type="text"/>

Optional user-defined authorization description.

Make required selections based on the required field. Click **Next**.

The image shows a 'Software Authorization Wizard' dialog box. The title bar says 'Software Authorization Wizard' with a close button. The main content area is titled 'Authorization information (continued)' and contains the text: 'We will use the following information to verify our records and authorize your use of the software. (* required field)'. Below this, there are three dropdown menus, each with a red rectangular highlight around it. The first dropdown is labeled '*Your Organization:' and has 'Non-Profit Organization' selected. The second dropdown is labeled '*Your Industry:' and has 'Health and Human Services' selected. The third dropdown is labeled '*Yourself:' and has 'GIS Analyst' selected. Below the dropdowns, there is a paragraph of text: 'The personal information you supplied is protected under Esri's privacy policy. If you want to view Esri's privacy policy, click the View button below.' Below this text is a button labeled 'View...'. At the bottom of the dialog box, there are three buttons: '< Back', 'Next >', and 'Cancel'. The 'Next >' button is highlighted with a red rectangular border.

Software Authorization Wizard

Authorization information (continued)
We will use the following information to verify our records and authorize your use of the software. (* required field)

*Your Organization: Non-Profit Organization

*Your Industry: Health and Human Services

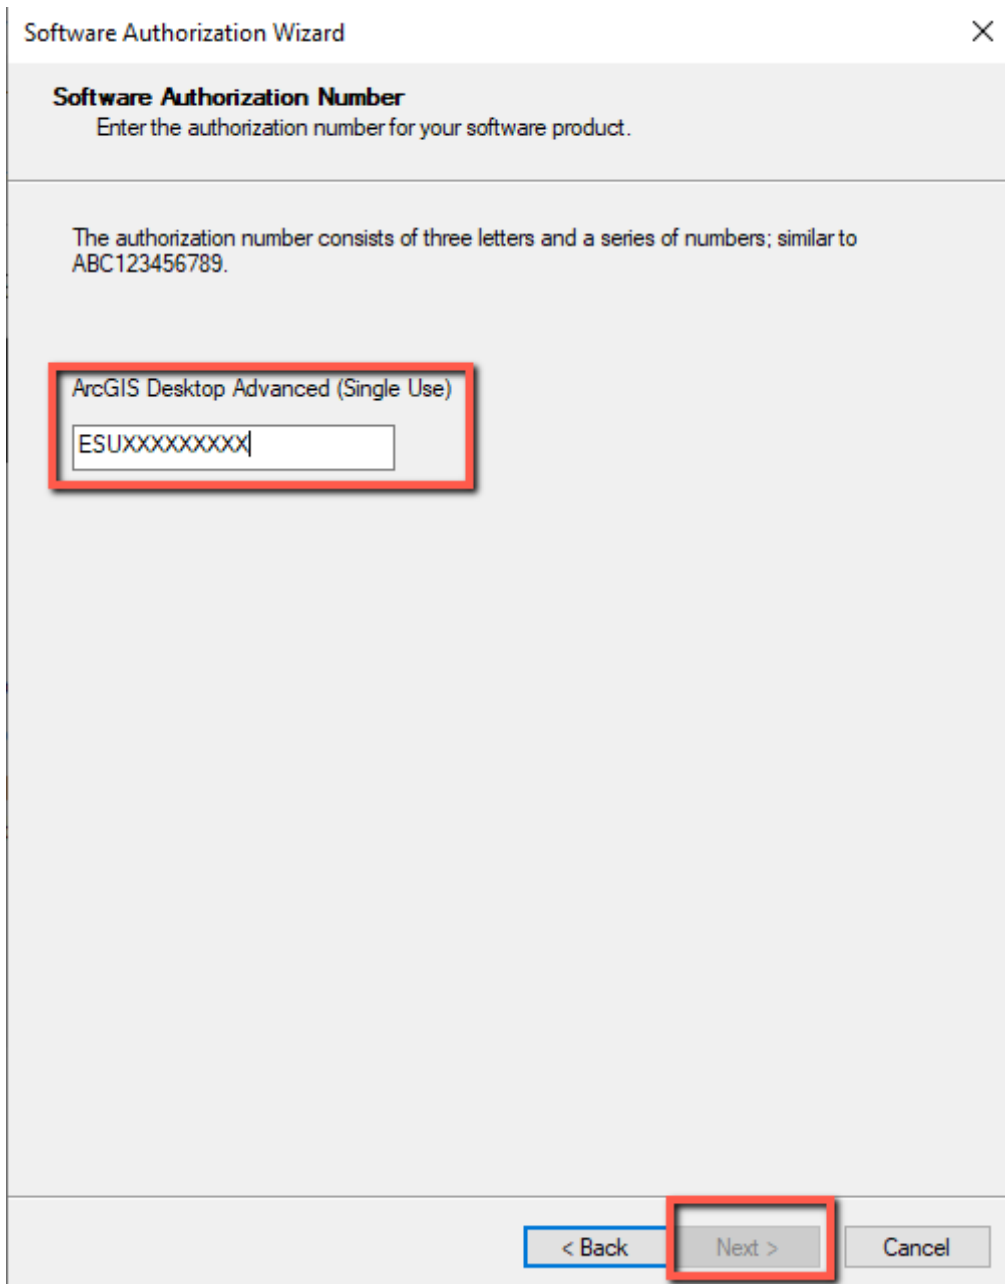

*Yourself: GIS Analyst

The personal information you supplied is protected under Esri's privacy policy. If you want to view Esri's privacy policy, click the View button below.

Enter the License Authorization number you received and click **Next**.

The image shows a 'Software Authorization Wizard' dialog box. At the top, it says 'Software Authorization Wizard' with a close button (X). Below this, the title is 'Software Authorization Number' and the instruction is 'Enter the authorization number for your software product.' A paragraph explains: 'The authorization number consists of three letters and a series of numbers; similar to ABC123456789.' Below this, there is a section titled 'ArcGIS Desktop Advanced (Single Use)' which contains a text input field with the placeholder text 'ESUXXXXXXXXXX'. At the bottom right, there are three buttons: '< Back', 'Next >', and 'Cancel'. The 'Next >' button is highlighted with a red rectangle.

Software Authorization Wizard

Software Authorization Number
Enter the authorization number for your software product.

The authorization number consists of three letters and a series of numbers; similar to ABC123456789.

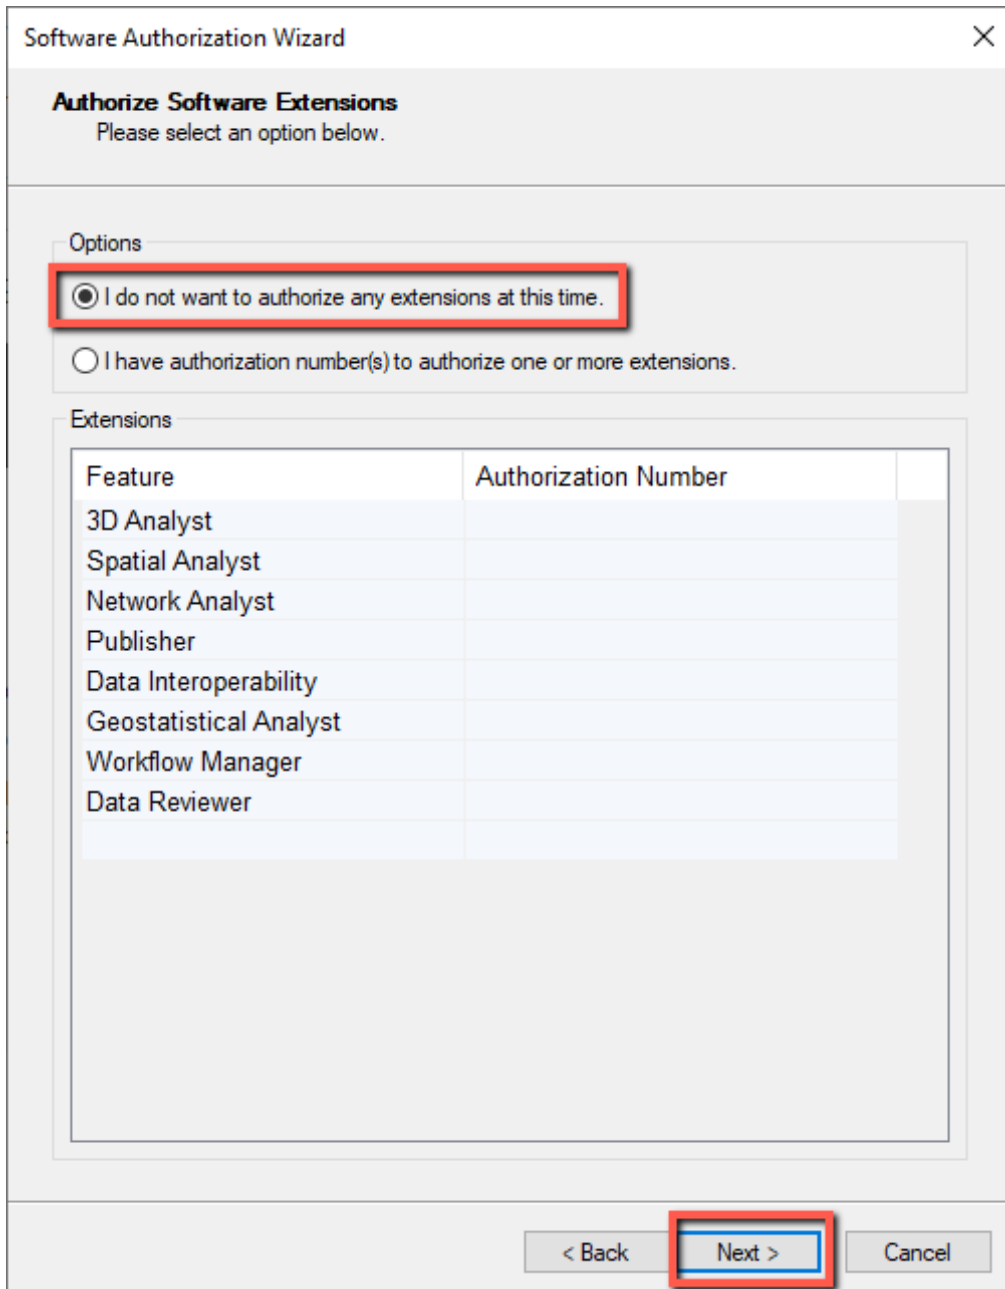

ArcGIS Desktop Advanced (Single Use)

ESUXXXXXXXXXX

Select “**I do not want to authorize any extension at this time**” and click **Next**.

If you have the extension, you can select the second option and paste the number under Authorization Number against the type of extension you received.

The image shows the 'Software Authorization Wizard' dialog box. The title bar says 'Software Authorization Wizard' with a close button (X). The main heading is 'Authorize Software Extensions' with the instruction 'Please select an option below.' Below this, there are two radio button options. The first option, 'I do not want to authorize any extensions at this time.', is selected and highlighted with a red rectangle. The second option is 'I have authorization number(s) to authorize one or more extensions.' Below the options is a section titled 'Extensions' containing a table with two columns: 'Feature' and 'Authorization Number'. The table lists several features: 3D Analyst, Spatial Analyst, Network Analyst, Publisher, Data Interoperability, Geostatistical Analyst, Workflow Manager, and Data Reviewer. At the bottom of the dialog, there are three buttons: '< Back', 'Next >', and 'Cancel'. The 'Next >' button is highlighted with a red rectangle.

Software Authorization Wizard

Authorize Software Extensions
Please select an option below.

Options

☒ I do not want to authorize any extensions at this time.

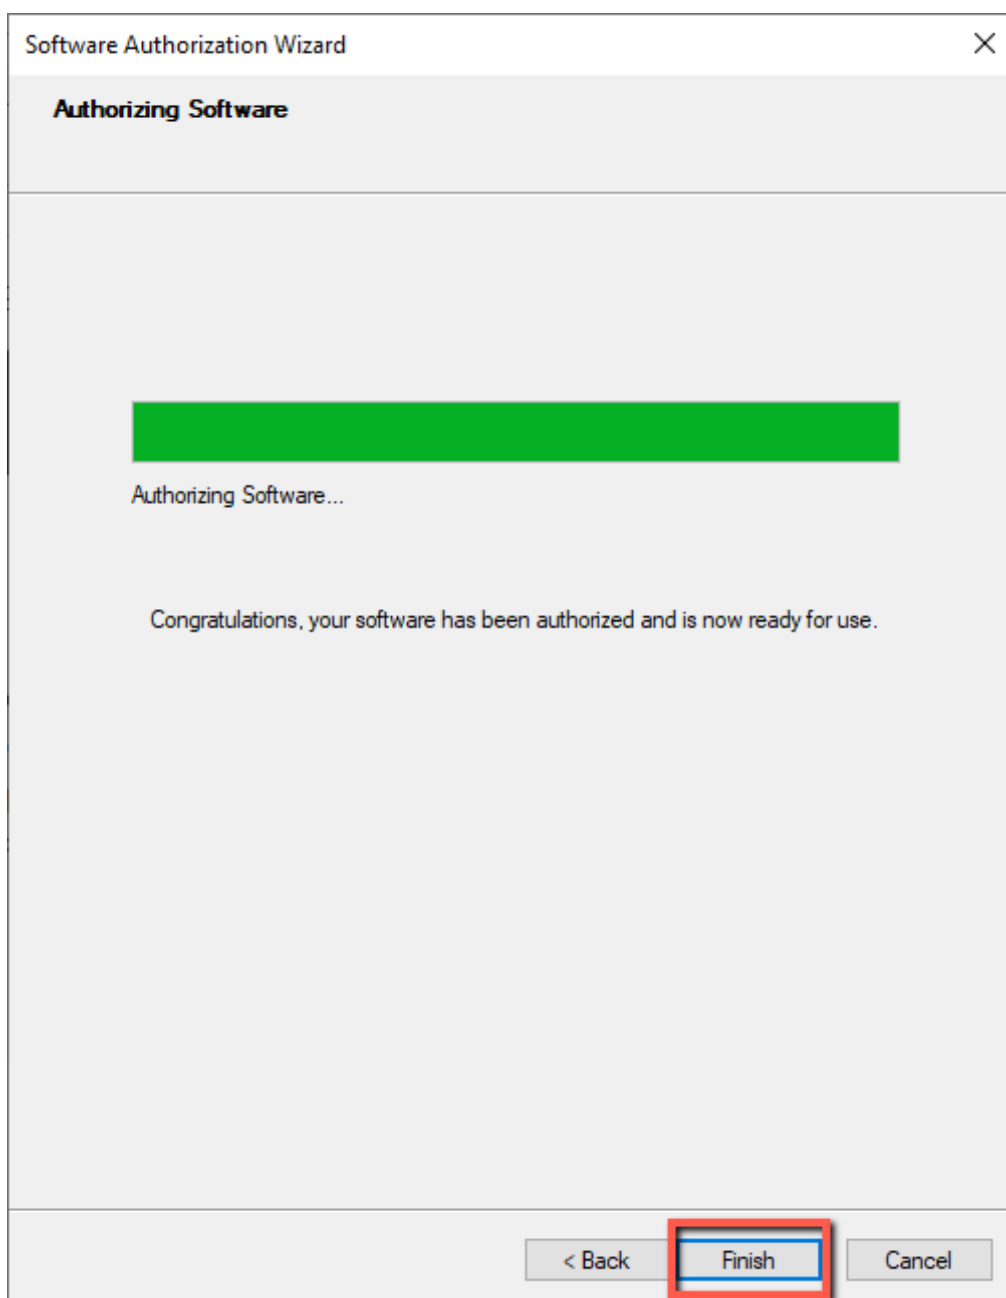

☐ I have authorization number(s) to authorize one or more extensions.

Extensions

Feature	Authorization Number
3D Analyst	
Spatial Analyst	
Network Analyst	
Publisher	
Data Interoperability	
Geostatistical Analyst	
Workflow Manager	
Data Reviewer
